An interesting experiment was lately

A ISO, Genuine Meerscham Pipes, Cigar Tubes, Pouches, Ambers and amokers' articles generally. 131, Corner Main and Union Streets, tried on a cholera patient by a French doctor. The patient had grown blue and cold, and was fading rapidly into a WHEELING. W. VA. collapse, when the doctor injected into

the veins of the patient at the fold of Now for the Presents. the arm about twelve ounces of water at a temperature of 104 degrees Fahrenheit. The man soon grew warmer, his pulse became perceptible, he showed unmistakable signs of returning life, and, in fact, sixteen hours after the operation, in the morning, he sat up in bed and asked for a drink. He went on improving, passed through the phases of an ordinary convalescence from cholera, and got well.
